Attached is the CEDRI template that we can discuss at 11:30. Thanks!

Hi Marcia, Gerri –

Jonathan and I are on a mission to fix the recordkeeping and reporting requirements in OOOOa during this reconsideration, and propose a new CEDRI template with the reconsideration. We'll be scheduling a series of calls on different equipment. Let's use this half hour to talk about well completions 😊

Please let me know if this time doesn't work for you!
Lisa
